

CHEF'S CHALLENGE

REGISTRATION FORM

The Feed My People Chef's Challenge Fundraiser occurs during National Hunger Awareness Month, and is a reality-style cooking competition featuring several of St. Louis' top culinary talents - all competing for "Feed My People Chef of the Year." Each Chef is asked to create a savory dish with generous sample sized tastings, and the challenge is to create this dish using only the ingredients our clients receive in their food bags from our food pantry. You get to sample each Chef's small plate serving and vote for your favorite to win "Feed My People Chef of the Year!" The event includes a live auction, a silent auction, a wine pull, a delectable dessert auction, and a 50-50!
